

Red Mountain
Community Church

Annual Report
2024

A message from Kyle Fox **on behalf of the Elders of Red Mountain**

God moved in mighty ways in 2024! He continues to grow us in our generosity and mission mindset. We met our fundraising goal of \$9,000,000 for the Raise Up Project and even exceeded it! The new Children's Building made significant progress in construction over the course of 2024 and we'll be ready to move into it this spring! The Lord also led us to explore a few new mission opportunities and partnerships—in Thailand, in South Africa, and with Kids' Hope USA. It's been incredible to hear stories about how God has brought new individuals to Red Mountain and how they have felt at home here. Thank you for being a part of this place—for your intentional care for what Yahweh is doing in and through Red Mountain. It truly shows. Most of all, we are thankful to Yahweh; He deserves all the glory and praise!
